Friday

Come To My
Classroom
26th August
1:15PM-2PM

First Holy Com-
munion
May 9th 2026

We have had a wonderful start to Primary 4! The classroom is already buzzing with energy, curiosity, and plenty of smiles. Everyone has adapted well to their new playground and a different routine for lunch. We are currently learning our new lunchtime prayers and our class routines.

We are excited for Beat Buddies to start on Tuesday 26th August for a number of weeks. The sessions include rhythm games, body percussion, and singing which we are sure will have the whole class laughing!

Rugby coaches will be with us again on Friday mornings starting on the 22nd of August. Please remember to come dressed in your outdoor PE kit!

Our Rich Reading program has begun with our first novel being "The Owl who was Afraid of the Dark". We are loving the beautiful illustrations by Paul Howard! At the moment, we are revising some of our techniques from previous years before we move on to our new learning. This is sure to challenge us and really get our brains working!

In numeracy, we will soon be diving into new concepts to build on our learners skills and confidence. Our current journey is focused on strengthening core skills such as our times tables. We would love your support at home through recall questions, songs and games to help make a difference in the children's confidence!

All of our Seesaw codes have now been sent home. If you have any questions about accessing these please get in touch!

What we are doing next?

We are looking forward to welcoming you to our Come To My Classroom afternoon which will be on August 26th from 1:15PM to 2PM. This is a perfect opportunity for you to explore the classroom and share in a little of their school day.
