St. Matthew's PS News

Primary 1 Room 2

What's happening in Room 2!

P.E Days

Tuesday- Indoor

Friday- Outdoor

Key Dates

25th August 2:15-3:00pm- Come to my classroom

Learning through play!

Primary 1 Room 2 have settled in well to their new classroom. The children have been working great together and are working well in their classroom and in the open area. They have had a fantastic start to Primary 1, well done!

Literacy

In Primary 1, the children will be learning two single sounds each week up until December. These will be taught alongside three new common words each week. In class we use the magnetic boards to support sounding out and blending words with the sounds we have learned. Primary 1 will

Our Primary 1 Room 2 class!

also be exposed to a range of activities that will support their fine motor skills and correct formation of each single sound.

This can be supported at home by completing the homework worksheets, word tubs and Seesaw tasks.

Numeracy

In numeracy we will have a big focus on numbers to 10. We will look at these numbers using, numicon, ten frames, dice and a range of concrete materials. We will also focus on the number bonds for each number to help support addition and subtraction within 10. Alongside the number work, we will also be looking at time over the next few weeks. We

will begin to look the days of the week, o'clock and digital and analogue clocks.

Again, numeracy work can be supported at home by completing the Seesaw homework tasks.

P.E

During the week, Primary 1 will have two PE slots. Indoor P.E will be on Tuesday afternoons and outdoor P.E will be on Friday. On these two days, children should come into school dressed in their P.E kits.

Play!

St. Matthew's Primary is a play based school and the children will have a range of experiences to develop their play skills.

Primary 1 have already been in our open area and have had the opportunity to work alongside Room 1 and P2.

We are always looking for loose parts, such as buttons, bigger beads and bottle corks/lids to support our play. The children use these items in a range of different ways when playing.

We would kindly appreciate any donations of any loose parts if you have any of these items that are no longer of any use to your family. Thank you in advance!
